

## +1Poker

+1Poker is the most exciting Poker game ever! If you know how to play Texas Hold'Em, you know how to play the +1Poker Game!

Each player gets 2 cards face down (often referred as the Hole Cards). Before the first betting round, the dealer deals the +1Card face up. This additional card (which is optional) can be purchase by all players and complete a player's hand. The +1Card is always visible and can be purchase **PREFLOP ONLY!**

The +1Card provides automatic stronger hands, less fold on PREFLOP and much bigger pots before any betting round! Once the +1Card betting round is completed, the rest of the hand is a standard Texas Hold'Em game!

Note: The first bet on the +1CARD per hand is retain as an operator RAKE.
